About this film

Finally! The movie event so many people have been waiting for!

What the BLEEP!?!-Down the Rabbit Hole!?

Will be in theatres across the country starting February 2006. Containing NEW scientific information, NEVER before seen footage, 1 hour and 30 minutes of NEW interviews, interviews with two additional scientists Dean Radin, Ph.D. and Dr. Masaru Emoto, interviews with author Lynne McTaggart, a new opening and three new animation sequences. This Directors Cut extended version will satisfy the most ardent BLEEP fan and blow away newcomers to this outrageous hybrid film about cutting edge physics, biology, consciousness, mysticism, reality and more.

This is the next evolution!!
